Northern Building Supplies, established March 2000 and located in Salisbury South, is a family-run building supplies company, with a strong emphasis on customer service and competitive trade pricing. Innovative, friendly and reliable service has seen Northern Building Supplies grow rapidly to become a leading supplier to the building, construction and civil industries as well as servicing trades people and domestic customers.

In an industry that continues to evolve with new building regulations, ideas and building products, we at Northern Building Supplies are proud to offer a comprehensive and full range of products, trade tools and services. We are continually looking to improve, expand and evaluate all aspects of our business to maintain a high level of customer service and value to our customers.

Operating out of the ONE location at Salisbury we offer the following products and services:

Steel Reinforcing

- including a manufacturing, estimating and scheduling service.

Sand and Metal

- supplying all types of sands, metal, rubble and cement

Building Materials

- stocking construction chemicals, tile glues, building supplies, plumbing supplies, decorative concrete solutions, lintels, civil products and safety.

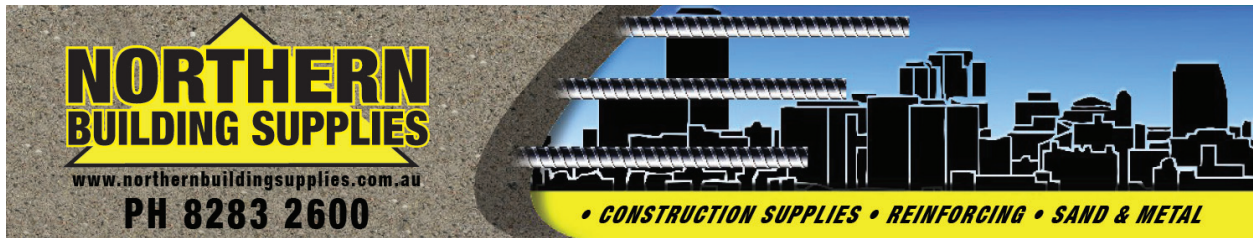

Trade Tools and Machinery

- offering a large range of brand name hand tools and machinery, catering particularly for concreters, bricklayers, plasterers and tilers.

At Northern Building Supplies we offer a welcoming and friendly atmosphere whilst striving at all times to exceed the expectations of every customer by offering outstanding customer service and value. Northern Building Supplies takes great pride in continually expanding our knowledge to provide customers with the best possible advice and service for their needs.

We at Northern Building Supplies are very serious about our company motto.

“Committed to Service”

Bricklayers' Tools and Sundries

BRICK CARRIER

A great time saving tool.
Lifts six bricks at a time.
Heavy gauge steel construction.
Zinc Coat finish.

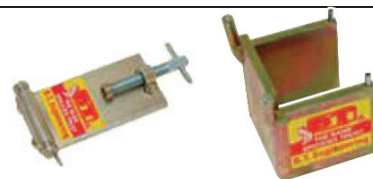

TOP STEADY

TOP CLAMPS (steady for profiles).
Complete Assembly
VENEER - nail on
FULL BRICK - clamp to outside wall
Replacement parts available

DOOR GAUGES AND DORI BLOCK

DOOR GAUGE
For string line use with steel door frame
DORI BLOCK - For string line use with
50mm steel profile

ROLLER RAKER

SHORT POLY WHEEL RAKER
Replacement parts available

BRICK IRONERS

Solid & Comfortable to use
IRONER 19mm (3/4")
IRONER 16mm (5/8")
IRONER 12mm (1/2")
IRONER 10mm (3/8")
IRONER 8mm Square (5/16")

BRICK JOINTERS

Z IRONER 5/8 (16mm)
Z IRONER 1/2 (12mm)
SPOON JOINTER 1/2 x 5/8

NAIL ON G CLAMP

Suits half brick, fullbrick
and half block

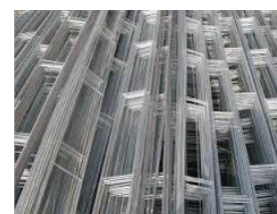

INTERNAL SPIKE

For securing profiles to
internal corners

TRAINTRACK REINFORCING BLOCK

TRAINTRACKS 50mm x 3m
TRAINTRACKS 90mm x 3m
TRAINTRACKS 140mm x 3m

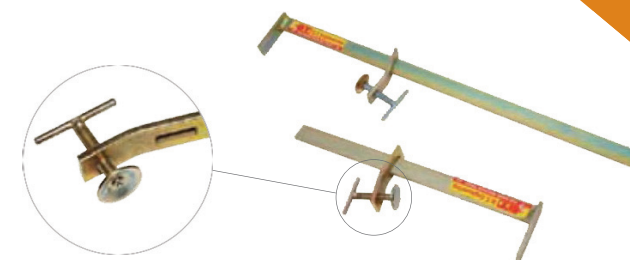

Bricklayers' Tools and Sundries

SLIDING G CLAMPS

LARGE 560mm (22")
SMALL 330mm (13")
Replacement sliders available

Bricklayers' Saws

BT PETROL BRICK SAW

Table saw with mobile stand and large puncture-proof tyres. The exclusive water button control reduces messy waste and leaving both hands free when using the foot pedal.

- Mobile stand. can lift and move as required.
- Clear sight lines allow full view of your work while cutting.
- Capable engineering to service the heavy demands of the building and hire industries.
- Full zinc plate finish for long-term resistance to rust and corrosion.
- All brick-saws feature a heavy duty, fully adjustable mitre guide.
- Petrol model shown with Honda GX160 motor.

BT ELECTRIC BRICK SAW

Universal table saw with a unique super-stable height adjustment device, lockable in any position. Max. cutting depth is 145 mm to a maximum length of 510mm.

- Patented semi-automatic, foldable legs for easy transport and handling.
- Purchase the blade to suit your needs. (no tools required).
- Tilt guide feature offers the option allowing any angled cut through the brick.
- Right hand mitre guide offers an alternative to the standard left hand guide.
- Pneumatic tyres allow for easy movement.
- Powerful 1700 watt motor.

STEEL REINFORCING

Northern Building Supplies Reinforcing, is one of the largest manufacturers and suppliers of steel reinforcing to the domestic and commercial industry in South Australia. Our reinforcing department provides a large range of services, which includes estimating, scheduling and manufacturing to processing and on-site delivery.

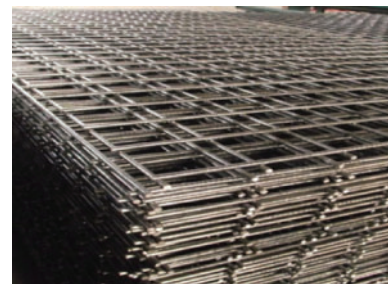

OUR SERVICES INCLUDE:

- Full estimating and scheduling
- The manufacture of cut/bent mesh, reinforcing bar and ligatures to suit engineers specifications.
- The supply of all accessories which include chairs, builders' film, ties and all other placing aids. This includes expansion, jointing and suspended slab systems.

ULTIMATE CHANNEL 100

Ultimate Channel 100 is a practical, robust system for use in domestic and office areas where large amounts of surface water can be collected. Ideal for driveways, domestic garages, patios and walkways.

ULT. CHANNEL 100 WITH GALV. GRATE
100mm x 1m

ULT. 100 STOP END

ULTIMATE CHANNEL 200

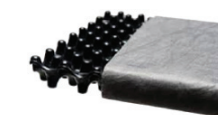

Ultimate Channel 200 is ideal for use in domestic areas where large amounts of water can collect or rainwater downpipes are run into the channel drainage run. The galvanised grate is strong enough to withstand constant light duty vehicle traffic use.
